Good afternoon Edgemont families,

Monday is **Martin Luther King Jr. Day**- a day where we celebrate Dr. King's legacy of racial, social, and economic justice. We have had classroom discussions about the importance of Dr. King- his vision, his actions and his impact. We have also discussed what we can do in our community, as well as nationally, in order to address issues that still exist today- such as voters' rights, labor rights, and racial justice. On Friday, January 19, our 3B Assembly will focus on Dr. King and community service, civic responsibility, and advocacy.

Below, please find resources related to Dr. Martin Luther King, Jr.
